

CANADA GOOSE x STELLA MC CARTNEY

WINTER COLLECTION

Strategic Opportunity

REVIVING THE ICONIC AESTHETIC, SUSTAINABLY

A PARTNERSHIP WITH STELLA MCCARTNEY WOULD ALLOW CANADA GOOSE TO RECAPTURE THE ICONIC FUR-TRIMMED PARKA SILHOUETTE THAT BUILT ITS BRAND IDENTITY, WHILE REPLACING REAL FUR WITH STELLA MCCARTNEY'S RENOWNED HIGH-PERFORMANCE FAUX FUR EXPERTISE. THIS PRESERVES THE VISUAL HERITAGE CUSTOMERS ASSOCIATE WITH THE BRAND WHILE REPOSITIONING IT FIRMLY WITHIN A SUSTAINABLE, CRUELTY-FREE NARRATIVE.

ALIGNING WITH AN EXISTING ETHICAL COMMITMENT

CANADA GOOSE ALREADY DISCONTINUED THE USE OF REAL FUR IN ITS PARKAS AS PART OF ITS ANIMAL WELFARE COMMITMENTS. A COLLABORATION WITH STELLA MCCARTNEY — A DESIGNER SYNONYMOUS WITH SUSTAINABLE LUXURY — WOULD AMPLIFY AND VALIDATE THIS SHIFT, POSITIONING BOTH BRANDS AT THE FOREFRONT OF THE GROWING DEMAND FOR CRUELTY-FREE, ENVIRONMENTALLY CONSCIOUS OPTIONS WITHIN THE LUXURY FASHION SPACE.

Rationale

BRAND VALUE DISPARITY

CANADA GOOSE AND STELLA MCCARTNEY OCCUPY DIFFERENT TIERS OF BRAND EQUITY, REQUIRING CAREFUL POSITIONING TO ENSURE THE PARTNERSHIP FEELS BALANCED RATHER THAN ONE-SIDED.

DIVERGENT CUSTOMER SEGMENTS

THE TWO BRANDS ATTRACT DISTINCT CUSTOMER BASES, PRESENTING BOTH A CROSS-POLLINATION OPPORTUNITY AND A CHALLENGE IN MESSAGING THAT RESONATES WITH BOTH AUDIENCES.

DIFFERING PRICE POWER

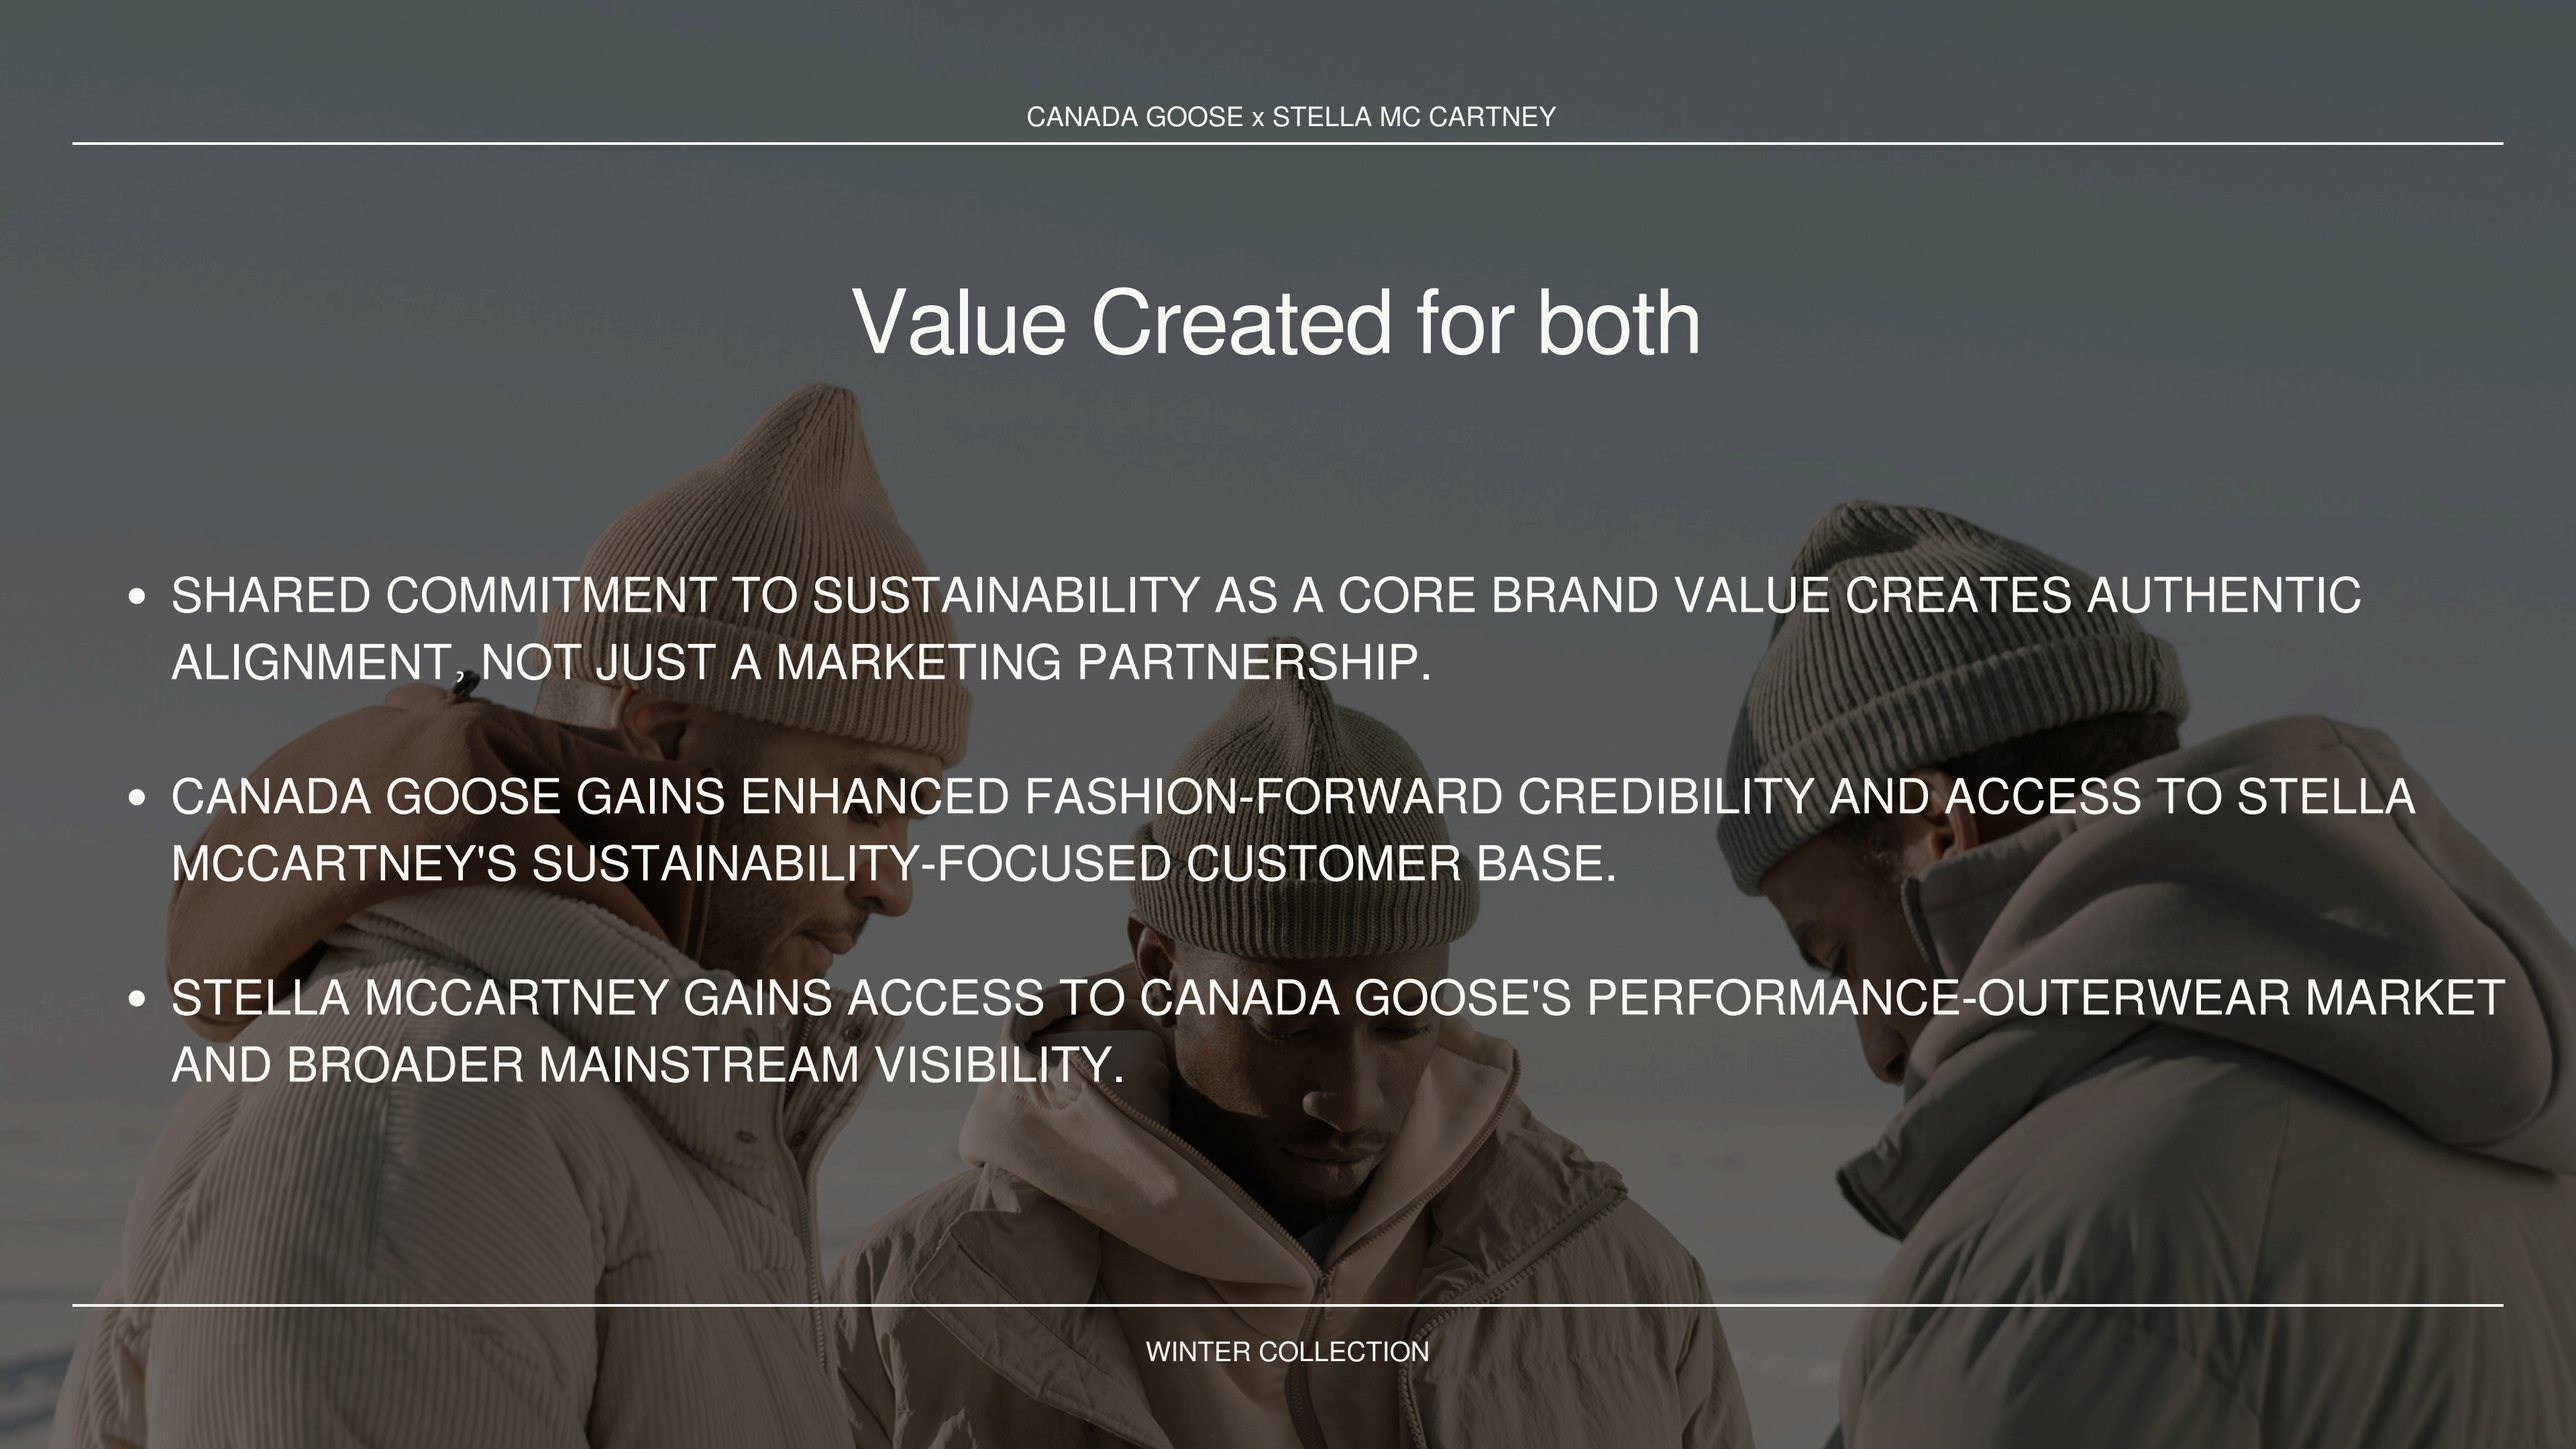

EACH BRAND COMMANDS DIFFERENT PRICING LEVERAGE IN THE MARKET, WHICH MUST BE RECONCILED WHEN POSITIONING A JOINT PRODUCT LINE.

Collaboration Concept

- CAPITALISING ON THE GROWING MARKET OF SECOND HAND FASHION WHILE ALSO USING THE GROWING DEMAND FROM CUSTOMERS TO ENGAGE IN EXPERIENCE AND THE NEED FOR OFFLINE MOMENTS
- CREATING A BRAND IMMERSIVE STORE EXPERIENCE AROUND UNIQUE AND VINTAGE PIECES THAT THE LUXURY HOUSE WOULD HAVE BOUGHT BACK – ICONIC DESIGN OF CANADA GOOSE AND THEIR CULTURAL EVOLUTION THROUGH THE YEARS INTEGRATING SUSTAINABILITY
- ADDING POSSIBILITY OF PERSONALISATION FOR A UNIQUE EXPERIENCE WITH THE BRAND WITH DEDICATED SALES ASSISTANTS BRINGING CUSTOMERS DOWN MEMORY LANE AND HIGHLIGHT THE GARMENTS UNIQUE STORY.

Value Created for both

- SHARED COMMITMENT TO SUSTAINABILITY AS A CORE BRAND VALUE CREATES AUTHENTIC ALIGNMENT, NOT JUST A MARKETING PARTNERSHIP.
- CANADA GOOSE GAINS ENHANCED FASHION-FORWARD CREDIBILITY AND ACCESS TO STELLA MCCARTNEY'S SUSTAINABILITY-FOCUSED CUSTOMER BASE.
- STELLA MCCARTNEY GAINS ACCESS TO CANADA GOOSE'S PERFORMANCE-OUTERWEAR MARKET AND BROADER MAINSTREAM VISIBILITY.

Potiential Risks & Mitigation

RISK: CUSTOMERS MAY PERCEIVE SYNTHETIC FUR AS A LESSER SUBSTITUTE FOR REAL FUR, IMPACTING PERCEIVED PRODUCT VALUE.

MITIGATION: POSITION SYNTHETIC FUR AS A PREMIUM INNOVATION (NOT A COMPROMISE) THROUGH STORYTELLING THAT EMPHASIZES CRAFTSMANSHIP AND TECHNOLOGY.

RISK: CUSTOMERS MAY BE UNCERTAIN WHICH PLATFORM (CANADA GOOSE VS. STELLA MCCARTNEY VS. JOINT) TO PURCHASE FROM.

MITIGATION: ESTABLISH A CLEAR, UNIFIED PURCHASE JOURNEY — POTENTIALLY A DEDICATED COLLABORATION LANDING PAGE OR IN-STORE EXPERIENCE ACROSS BOTH BRANDS.
