APPENDICES

CUSTOMER JOURNEY MAP

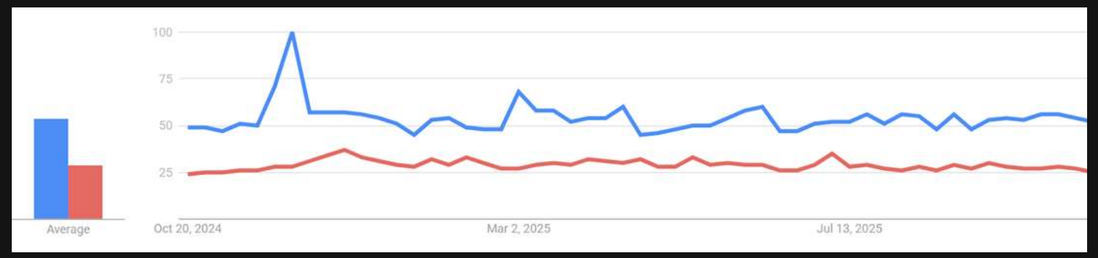

Stage	Awareness	Need	Comparison	Decision	Advocacy
Touchpoint	**Social Media & Cultural Integration:** Spotify-sponsored Latin music events, TikTok/Instagram Reels featuring trending reggaeton & pop hits, partnerships with Latin artists (e.g., Karol G, Bad Bunny, Feid).	**Influencer & Peer Discovery:** Local influencers, student ambassadors, and friend recommendations; exposure via free-tier ads or collaborative playlists shared on WhatsApp.	**Digital Research & Peer Reviews:** YouTube/Google searches ("Best music apps South America"), Reddit and TikTok comparisons; reviews on App Store & Play Store; social chatter on Twitter/X.	**In-App Experience & Payment Options:** Premium free trials, local payment methods (e.g., prepaid cards, mobile carriers, Mercado Pago), personalized onboarding with "Discover Weekly" playlists.	**Community Sharing & Recognition:** Spotify Wrapped posts, playlist collaborations, university playlist challenges, fan engagement campaigns with local artists.
Goal	**Generate Awareness & Emotional Resonance:** Position Spotify as the home of Latin rhythms — celebrate South American identity through culturally relevant music and visuals.	**Build Perceived Need & Habit:** Highlight the benefits of music streaming — convenience, personalization, and offline listening for commutes, workouts, and studying.	**Show Clear Superiority:** Communicate advantages over YouTube Music and Apple Music — better recommendations, social playlists, data-light options, and improve overall user experience.	**Drive Conversion to Premium:** Simplify sign-up and payment, promote "first 3 months free" or student/family bundles, and show local playlists as added value.	**Foster Long-Term Advocacy:** Encourage sharing via "Wrapped," fan communities, and Latin music challenges; use user-generated content to inspire pride and belonging.
Consumer Mindset	"I love Latin music and want to discover new artists like me."	"I need an easy way to access music anytime — no ads, no interruptions."	"Which app gives me the best playlists and value?"	"I want a simple, affordable Premium plan."	"Spotify gets me — I want to share it with my friends."
Key moment of Truth	Sees a Spotify campaign with local Latin artists or a viral TikTok challenge.	Uses free tier, starts realizing data or ads interrupt listening.	Compares Spotify vs. YouTube Music via YouTube videos and Google searches.	Enjoys first Premium trial and experiences seamless offline playlists.	Shares Spotify Wrapped or collaborative playlist on social media.
Data	**Utalize TikTok to Reach New Customers** → TikTok is a top music discovery platform for Gen Z, with 51% of 16–24-year-olds using it, compared to 37% of all consumers (Jones, 2025; Santana, 2025) → Latin America is TikTok's fastest-growing region, surpassing Twitter and Snapchat in 2020 to become the third-largest social network (Statista, 2024)	**Free-trial preference** → 68% of LATAM subscibers reported that they cannot afford all the subscriptions they'd like (Subscription Wars..., 2025) → 40% of subscibers cancelled a service due to price increses & 44% cancelled due to ads in the service (Subscription Wars..., 2025) → A major challenge is converting free users to paid subscibers - key factors are user experience, value, and localization (Market Data Forecast 2024; Streaming in Latin America, n.d.)	**YouTube vs. Spotify:** → Spotify accounts for roughly 1/3 of global music streaming listeners, followed by YouTube Music in second place (Curry, 2024) →YouTube offers a much broader selection, largely due to its accesss to both user uploads and YouTube's vast content library. As a result, it includes rare tracks, live performances, bootlegs, ad remixes that aren1 typically available on Spotify (Krishnan, 2024) → Based on Google Trend searches, Spotify is more searched than Youtube among most Latin South American countries, except for Venezuela (Google Trends, n.d.)	**Free trial to paid** → 72% of customers who started with a free trial in the US, converted to paying subscibers (Friedman, 2019) → A report "Music App Benchmarks 2025" found that music apps showed iOS conversion rate 47.1% &Google Play 34.6% (Curry, 2025)	**Spotify Wrapped** → Spotify Wrapped 2024 proves that Latin music isn't trending - it's dominating. With 12 Latingartists in the global Top 50, the genre's global impact is undeniable. Bad Bunny, Peso Pluma, and Karol G led the movement, showcasing the power and diversity of Latin sound (Gomez, 2024) → Spotify's 2024 reporst states: "Celebrated our biggest Spotify Wrapped campaign ever, which delivered record-high user engagement (+10% Y/Y) across 184 markets and 53 languages" (Spotify Q4 2024 Update, 2025)
Search	→ Best Latin playlists Spotify → New reggeton 2025	→ Free/ Affordable music streaming apps South America	→ Which app has better playlist, variety of features, user friendly → Which app will allow me to connect with my favorite artists better (e.g. through live streams and live concerts recorded and accessible)	→ Spotify Premium student discount → What package options does the app offer (e.g. monthly fee, 1 year pack - divided into monthly payments etc.)	→ How to share Spotify Wrapped → Spotify top artists 2025
Emotional State	↑ Excited and Curious	↑ Motivated and open-minded	↓Confused or hesitant	↓Cost-conscious but hopeful	↑Proud and connected
